

Bloody revenge

Paroles et musique : Nono Futur.

intro : DEGD
couplets : DCGA
refrains : DEAG

he drinks alone
hangry to the bone
he likes Devo
and Turbonegro
his skin is red
he lies on his bed
his mind is black
stabbed in the back

why does he go
to Sacramento
why does he say
his mind's blown away
seek and destroy
this fucking boy

a son of a gun
a man on the run
no reason to live
or to forgive
he'd like instead
a bullet in the head
a big wide range
of bloody revenge

why does he go
to Sacramento
why does he say
his mind's blown away
seek and destroy
this fucking boy
