

I hate stupid wednesdays

gamme majeure en sol

Wednesday make me sick
girls don't want to suck my dick
i have to go to parties
where everybody's happy

i hate stupid Wednesdays

i have to go to the disco
i have to wash my libido
nothing on the radio
only shit like Placebo

i hate stupid Wednesdays

i don't wanna go the swimming pool
i want to go back to school
don't piss me off with freedom
me i just call it boredom

i hate stupid Wednesdays
